Get Out of the Boat!

Saturday, October 7, 2017

Join nearly a thousand teens from the Archdiocese and beyond for Season 22 of Lifeline!

Fr. Nick VanDenBroeke

Every generation needs to be evangelized! EVERY ONE! God has NO grandchildren, He calls us each by name. The challenge is that most of the time He calls us, works us and brings us to Him... wait for it... through others. Others like YOU. When we look at the Saints, we see that they are examples of a response to the calling in their lives to "Get out of the boat" and walk on the water with the Lord. And today God is calling THIS generation of disciples to be brave enough to "Get out of the boat" and be His hands, feet and voice for this generation!

Michael & Ali Hoffman

The father and daughter team, the dynamic duo of **Michael and Ali Hoffman** captivate their audiences to take ownership of their faith, ignite their hearts for Jesus and step out of their boats in confidence

to be a greater impact for Christ in this world. Through humor, interaction and a focused message, your heart will be pumped, your brain will be equipped and your funny bone will be revved up!

Sonar, the incredible Catholic band from the Twin Cities, will provide outstanding praise and worship.

Fr. Nick VanDenBroeke, back by popular demand, will celebrate Mass.

Our night will include time with our Lord in the Blessed Sacrament.

Launch the new season with us and bring a friend!

Praying the Mass Like Never Before

Tickets are required for this event!

Saturday, November 4, 2017

While many people go to Mass every week, very few people know what it is to worship.

Certainly, we show up and do our best to pay attention, but for too many of us this just means we watch closely. You have been given a gift that you have most likely left unused. This gift is unused because it is largely unknown. This presentation will uncover this unknown and unused gift, so that you can stop watching the Mass and start worshipping at Mass.

Fr. Michael Schmitz

Known for his passion, clarity and conviction, **Fr. Mike** will inspire and challenge you as a Catholic disciple of Jesus!

NOTE: For this Lifeline only, Fr. Mike's presentation will take place first in the program with Mass following.

Obey Your Thirst

Saturday, January 6, 2018

Fr. Emmanuel Mansford

We often think of prayer as primarily asking God for something. We know we are supposed to pray every day and to make prayer an important part of our life. But if we're honest with ourselves, do we really know what prayer **is**? Do we know **how** to pray? Are we convinced that we **need** to pray?

The truth is that our hearts deeply thirst for God. Our hearts deeply desire real intimacy with a real God. And only through a personal relationship with God found in prayer can our thirsty hearts be satisfied.

Fr. Emmanuel Mansford, C.F.R., will speak with humor and passion about the mystery of coming to know God in prayer. A native of England, he currently lives in Harlem, NY, serving the poor and needy. He speaks to Catholic youth and young adults throughout the country at major Catholic conferences and parish missions.

The night features great praise and worship led by the Catholic band **Sonar**, over 50 members of the 2017-18 NET Teams, and culminates with Eucharistic Adoration.

Follow Me

(No, Jesus isn't talking about Instagram)

Saturday, February 3, 2018

It's the most important invitation you'll ever receive in your life. It's the invitation of Jesus who says to you, "Follow Me." It's the very same invitation Jesus extended to his first disciples. They were leading very ordinary lives. All of that changed when they encountered Jesus and responded to His invitation to "Follow Me." And the world has never been the same.

Archbishop Bernard Hebda

Fr. David Blume

Without fail, through the centuries of the Church, countless thousands upon thousands of courageous Catholic young men and women have responded to that same invitation. For some, it is a call to live a holy, faithful life in marriage or the sacred consecrated single life. But for others, Jesus extends a special call, a call to those willing to boldly serve the Church as a priest or religious brother or sister.

Have you considered this call? Would you like to discover more about it? Then, tonight is your night.

We're blessed to have **Archbishop Bernard Hebda** with us. And from the Archdiocesan Vocations Office, **Fr. David Blume** will team up with great **priests**, dynamic **religious orders** of sisters and brothers and **seminarians** from Saint John Vianney and Saint Paul Seminary to share their stories on responding to Jesus' call to 'follow.'

Save the date. Bring a friend. Expect great things.

Catholic Marriage vs. the Secular Culture

Saturday, March 3, 2018

In case you haven't noticed, the world's view of relationship between man and woman is a little different than the vision of Catholic marriage.

- **Give vs. Get:** Why we aren't going to win if we don't know what game we are playing
- **More is More vs. Less is More:** Why God's math is better than ours
- **Marriage Prep. vs. Wedding Prep:** Why we don't plan to fail, we just fail to plan

Fr. Michael Becker

On April 29th, 2000 an Australian Catholic musician married an American Catholic Air Force brat.... game on. Join **Nathan and Caroline Metzinger** eighteen years and six kids later as they reflect on the Church's vision for marriage through lessons learned as they strive to live a Catholic marriage in the midst of an increasingly secular culture.

Am I Saved?

Saturday, April 7, 2018

Most of us have probably heard or have been challenged by some variation of these questions before:

Bishop Andrew Cozzens

If you were to die right now, where would you spend eternity?

Do you know with certainty that you will go to Heaven?

Have you found salvation in Jesus Christ as your Lord and Savior?

For sure the topic of salvation is very important. And since it deals with eternity - your eternity - it's **most** important.

But what does it mean to be saved? Saved from what? Can anyone really know if they are saved?

What is the Catholic understanding of salvation?

Bishop Andrew Cozzens of the Archdiocese of Saint Paul and Minneapolis is our very special guest. He has spoken to countless youth with the message that transforms lives. His words and wisdom can transform yours - if you're ready. Our evening includes Eucharistic Adoration.

Great music, worship, teaching and Eucharistic Adoration.

Mass & Evening Program

with Fr. Jim Livingston

Made for Worship

Saturday, May 5, 2018

Following His death and resurrection, Jesus appeared to His disciples many times before He ascended to Heaven. The response of the disciples upon seeing Jesus fully alive following His cruel death is found in Matthew 28: "When they saw Him, **they worshipped Him.**"

Fr. Jim Livingston

When you encounter the Living Lord in His glory, power, and merciful love you'll discover that you are made for worship. You'll discover your true purpose and mission. (Mt. 28:19).

Are you ready?

With us for this special Lifeline is **Fr. Jim Livingston**. Pastor of The Church of Saint Paul in Ham Lake, MN, Fr. Jim has ministered and prayed with

thousands of Catholic young people through retreats, conferences and Healing Masses.

Sonar will provide amazing praise and worship with Adoration before Jesus in the Blessed Sacrament.

Prepare your heart for a powerful night!
